

September 8, 2009

Coaches, Team Moms, Players, and Parents:

This year we are lucky enough to be playing our home games at the Virginia Beach Sportsplex and in order to stay there we will need to abide by the following rules:

1. Parking is to be on the Left side of the parking lot while facing the complex. Tickets will be issued for any and all illegal parking.
2. No outside food or drink will be permitted into the complex.
3. Team Moms or Coaches **with badges** may bring half-time & end of game snacks/drinks in coolers for the team. Be sure to clarify to the police officer what it is for, as all coolers & bags will be searched. Plenty of water with cups will be provided for players & staff on each sideline.
4. The clear team water bottles may be used for time outs & sideline use.
5. No gum, sunflower seeds, peanuts, or food of any kind or individual drinks are permitted on the field.
6. No one is permitted on the upper levels of the complex.

There are police officers for security and they do not mess around or take any flack from the spectators so consider yourself warned!

Sincerely,

The Virginia Beach Mustangs Association
