PLAYER DEVELOPMENT

Skill Instruction. Mental Preparation. Leadership Development.

Get ready for an intense journey that will prepare you to compete at your highest level, in two of the most demanding positions in all of sports. We have every minute planned as we will push you to reach your greatest potential as a football player and a young man. We offer the opportunity to develop and refine your game with three training experiences:

Igniter Workouts: A high intensity, skill specific 2.5 hour workout designed to "ignite" the belly-fire in each athlete during the off-season. Works to introduce as well as reinforce basic fundamental platform. Serves as an excellent precursor to our Developmental & Advanced Camps.

***Developmental Camps:** This camp is focused on building the physical, mental, and leadership skills necessary to play the quarterback and receiver position. Each athlete receives a quality, high energy, two-day experience of intense one-to-one instruction.

****Advanced Camps:** For the serious high school quarterback or receiver looking to further develop their skill level - including those who desire to play at the college level. This three-day camp will help each individual prepare and improve for their upcoming season. A strong emphasis is placed on leadership training and character development to prepare the athlete for the mental demands associated with playing at the next level.

TESTIMONIALS

"...Sending you a note of thanks for the camp experience this weekend in Marin. The program was well organized and the coaches were excellent. My son, a 5th grader, absolutely loved the experience. I had to miss the last hour on Sunday, but I was thoroughly impressed from start to finish..."

Dan D. (parent)

"Hey Coach, it's Alex D. and I would just like to thank you for putting on a great camp. My experiences at your camp have been ones I will always remember. What you teach is so fundamentally sound and what you preach in terms of how football translates to life off the field is spot on. Every time I leave one of your camps, I feel inspired to work hard and keep getting better..."

Alex D. (athlete)

"I would like to let Coach Jeff Trickey and Coach Randy Wright as well as the rest of the coaching staff know how wonderful it was to watch all of them work with our young athletes. To see the passion, the fire as well as the enthusiasm each of the coaches had as they worked with each young athlete. I have been around young athletes a long time as a parent and coach, I have been to many camps watching and listening to coaches work with our young athletes and I have to say this; Your coaching staff is a pleasure to watch and listen to as they work with the future athletes with so much passion. We can hear it in their voices as well as seeing it in all of their eyes. Listening to Coach Trickey and Coach Wright speak to these young athletes was also a pleasure... Thank you for a wonderful camp and to see the fire of teaching our young athletes in each and everyone of your coaching staff."

Dave D. (coach/parent)
